It was a warm sunny day as a small group of 4 wheelers left Albertson's for the Storm Mountain trip and increased in number on their way past JJ's, Masonville and the Storm Mountain air down area.

At Masonville we found our guest in the full size Bronco had serious wheel problems. The studs had wallowed out the rear wheel holes on his vehicle. Dave Pillar gave them a ride back to Fort Collins, while the rest of the group proceeded on to Storm Mountain.

We stopped up the hill to air down and give Dave time to get back with us. As our group of 12 vehicles moved on, we found several uphill sections to be icy and slick. The back half of the group was having quite some fun as chatter on the CB's indicated. Connie Strack in her CJ5 and Eric a guest in a Toyota Pickup were finding the icy sections giving them a few thrills. A couple of experienced club members at the back also found that airing down was needed to make this trip across Storm Mountain.

At our lunch break we moved a couple vehicles around to even out the pace getting on to the Storm Mountain climb. Todd McCurry needed assistance through this next area as he had broken a front axle and needed strapped through part of this section.

Several upon making it through to Galuchie gulch, decided to head for home or to watch from the meadow.

Troy White upon reaching Storm Mountain headed his Bronco up the hill with hopes of making it further this time than he had on their previous scouting trip. After a few attempts, he parked his Bronco and joined Brett Newton for the final trip up Storm Mountain. Jeff Paben in his trusty LandCruiser did his best to climb the hill but his vehicle did not want to navigate the icy terrain. Only Dan Venrick with Tara and Brett Newton with Troy were able to enjoy the view from the top of Storm Mountain and partake in the famous ice slide back down the hill. Everyone then headed for home.

Moab 2003

The date has been set for our 2003 Mountaineers Moab Adventure, June 7th through the 14th. This year, it has been decided to camp at the Canyonlands Campground & RV Park. This is one of the nicest parks in the area as it has nice big shade trees, a well kept swimming pool and hot tub, clean showers, parking for our trailers and the prices are reasonable. The park is located at 555 South Main near the City Market and McDonalds.

To make reservations call 1-800-522-6848 on Monday through Wednesday or you can go to their web site at www.canyonlandsrv.com. Please mention that you are with the Mountaineers so that we all camp together. Get your reservations in as early as possible as the park does fill up fast.

We will have trips leaving every day except Wednesday which is our day of rest and trinket shopping or to take the kids to the water park. Last fall Ken Kinnison and Gene Day scouted the Rusty Nail trail and it will be added to our list of trails. As usual, we expect it to be a great week.
